

Hello SKC Campers and Parents!

We are the directors of Super Kids Camp, and we're looking forward to Summer 2019! Before your camper attends their first day of camp, there are a few things we would like to go over. Please bring your **completed** waiver and information packet to your camper's first day.

Super Kids Camp is an extremely active and fun place to be! We want to ensure the safety of your camper when attending SKC. Please make sure your camper wears **closed toed shoes**, every day of camp. **Flip-flops can be worn only after pool time.**

We visit Sonoma State's pool every Tuesday and Thursday, so please send your camper with the following items:

- Swim Suit
- Towel
- Life Jacket -- if needed
 - Any child sent with a life jacket, will be required to wear it while in the pool
- Flip-Flops (for after pool time)

We provide and require sunscreen for campers during pool time. If your child requires a specialized sunscreen, please send it in your camper's backpack. If your camper doesn't want to participate in swimming, we will provide card games, coloring pages, and other activities. If you want to send a book or other small activity with your camper for pool time, we highly recommend it!

On Wednesdays, we go on field trips throughout Sonoma County. Please make sure that your camper wears their provided **camp shirt on Wednesdays**, so that we can easily monitor our group during field trips.

A few more things to note, please make sure to **pack a lunch** for your child **every day** (*especially on field trip days*). We provide a snack around 3pm, but sometimes campers need something extra throughout the day. We also recommend having your child bring a **reusable water bottle**, with their **first and last name** on it. We advise every camper brings a hat to camp, as we spend a large amount of time outdoors. Please encourage your camper to leave special toys at home, as they easily can get lost or damaged when brought to camp. The only time a child's own toys or activities are permitted, is during pool time.

Please contact us at superkidscamp@sonoma.edu or (707) 664-4386 if you have any questions.

Sincerely,
Kristin Dinelli
